

Mustang Club of America HALL OF FAME

N O M I N E E

George Valeri

With the passing of George Valeri earlier this year, there is a hole left in the MCA. George was very passionate about the MCA on all fronts. He was very active at the Board of Director meetings and changed the way we think about membership in this organization. He was never shy and was always committed to getting the job done. He was at every show from the time he took a position on the BOD until his passing. That is where George was his best. He had a way with people and a charm of his own.

A quote from Steve Prewitt says it all: “Many of you met George if you visited the MCA table at a National Show or special event. He was heard numerous times asking, ‘Pardon me, Sir or Madam, are you a member of Mustang Club of America?’ And if the answer was ‘No,’ George would work his charm and, in most cases, before you left he would sign you up as the newest member of the ‘Greatest Mustang car club in the world.’ Not my words but George’s. His booming voice with its thick Massachusetts accent is silent now, but his memory will live on in the hearts and minds of anyone who met or knew him as he promoted the Mustang Club of America. He will be sadly missed by many.”

George’s many accomplishments and pure passion for the MCA has moved me to place George into nomination for induction to the MCA Hall of Fame.
