Dear Jennifer and Friends,

Alone we ask, "What can one person do?" History, however, shows us that courage can come from the most unlikely people; the most profound changes the world has ever witnessed are the result of one person deciding that something should be different. Sherry Shepherd, battling cancer herself, was touched by the enormous challenges facing families with childhood cancer and resolved to help them. Her determination has impacted countless lives in Why Me's thirty-one year history. We thank you for believing in Sherry's mission and helping us to continue providing life-enhancing support to these children and families. Author Steve Maraboli said, "A kind gesture can reach a wound that only compassion can heal." Your generosity demonstrates a shared belief and so we thank you for your kindness.

Your support makes the work we do and the services we provide possible. Thank you for your generous donation of \$2,650. We look forward to many more years of service and continuing the legacy of love which began with the compassion of one young girl that set us all on a better path.

Warm Regards,

David Hagan
